Re: **SLIDERS** – “Slither” Production draft dated 2/27/97

Gentlemen,

This will confirm that I have received the production draft for the episode listed above and have the following comments:

Page 11: Please use a tight shot of the shoulder area when you show the knee to the groin scene.

Page 17: Please no penetration shot as Carlos jams the knife into Don.

Page 30: As previously noted, please do not depict Carlos repeating the stabbing action as it plays too extremely.

Page 44: There must be no actual physical contact between Wade's head and the barrel of Carlos' derringer.

As previously noted, this episode has entirely too many usages of Damns & Hells. Please reduce them significantly. They can be found on pages: 8 (Hell), 12 (Damn it & hell), 13 (damn), 20 (Damn), 22 (hell), 30 (hell), 32 (hell), 41 (damn), 42 (damn), 46 (hell twice), 50 (damn). Of the thirteen uses, ten are spoken by Rembrandt. Because Rembrandt is our only African-American character, his casual profanity **MUST** be deduced by five mentions as not to give the impression that he is more apt to curse than anyone else.

Please continue to refer to previously noted cautions.

Feel free to call me if you have any comments or questions at (310) 369-3436.

Sincerely,

Thomas Chavez
