LOGAN ST. CLAIR: Caucasian female, in her mid 20s, intense, intelligent and stunning, she is a scientist in a parallel universe, a duplicitous, self-serving woman who will do anything to realize her goals. Coy and seductive, she manages to turn Quinn's head, who, it turns out is her double, albeit an evil replication. Eager to perfect the art of sliding, Logan hopes to successfully raid parallel dimensions in order to strip them of their natural resources, and essentially "hold the world hostage." However, her nefarious plans are eventually foiled by our quick-thinking foursome...LEAD (3) RECURRING [Copyright 1996, BREAKDOWN SERVICES, LTD.]

MONIQUE: African-American, in her late 20s, gorgeous and dressed to kill, Monique is a resident of San Angeles, a parallel dimension. An intoxicatingly sexy and very wealthy woman, she invites Rembrandt (whom she believes to be the famous singer, The Cryin' Man) back to her place. The Cryin' Man's number one fan, Monique has built a veritable shrine to her idol, determined to one day marry him. Clearly slightly demented, Monique must put her plans on hold after her jealous fiance, Mike, forces Rembrandt to leave - in a hurry...LEAD (5) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

DIGGS: African-American, early 20s to late 30s, he is a hip bartender with a shaved head. He, too, is a big fan of The Cryin' Man and asks Rembrandt to sign a cocktail napkin. Later, his double is seen at a trendy L.A. hangout where he sports dreadlocks and a floral print shirt...RECURRING (15)

MRS. ARTURO: An attractive, educated Caucasian woman in her late 30s to early 40s, she is the recently widowed wife of scientist Max Arturo (Arturo's double in a parallel dimension). At first overwhelmed with happiness, and then confused when our Arturo asks her a question, Mrs. Arturo confides in the sliders that her husband would never have been so impetuous as to jump into an untested vortex. She feels that there is some foul play afoot as far as her husband's death is concerned...7 speeches & 5 lines, 3 scenes (25)

ADRIANE FAYNE: The CEO of Omnicorp, he is in his late 30s to early 40s, Logan's boss. The kind of man who never smiles, he is a reptilian sort, cold and greedy...2 speeches & 8 lines, 5 scenes (3)

**PAGE TWO...**

**DESK CLERK:** He is a hotel desk clerk who leans in chummily to Arturo, and makes a comment about Wade, referring to her as one of Arturo's "nooners." Basically a cretin, he unwittingly lets it slip that Arturo's double was having an affair with Logan...4 speeches & 2 lines, 2 scenes (20)

**GUARD:** He is a pleasant, helpful, bespectacled security guard at Omnicorp who watches in awe as Arturo is spit out on the ground by the vortex...2 speeches & 3 lines, 2 scenes (27)

**HOBO:** This hobo helps a fleeing Rembrandt get on top of a train, leery about Rembrandt's chances of survival if he plans to travel without the appropriate "gear"...5 lines, 2 scenes (40) [Copyright 1996, *BREAKDOWN SERVICES, LTD.*]

**VENDOR:** This food vendor eyes Rembrandt skeptically when Rembrandt asks him for a hot dog...1 speech & 2 lines, 1 scene (4) [Copyright 1996, *BREAKDOWN SERVICES, LTD.*]

**MAITRE D':** This maitre d' takes reservations for people wanting to use the laudromat...1 speech, 1 scene (7)

**ICE CREAM VENDOR:** This vendor is hawking frozen confections...1 line, 1 scene (30)

**MIKE:** He is Monique's fiance; he's six-foot-six, and 275 pounds of solid steel. He's furious when he spies Rembrandt in Monique's bedroom...2 lines, 2 scenes (36) **THINK PRO WRESTLER OR FOOTBALL PLAYER. AFRICAN-AMERICAN OR CAUCASIAN.**

**STORY LINE:** The Sliders land in San Angeles, a parallel dimension, where LOGAN ST. CLAIR, an evil double of Quinn's, is eager to learn more about sliding in order to raid other universes...
