**FRANKLIN MICHENER:** A tall, lean, severe man in his mid 40s, he's the absolute leader on the environmentally ravaged earth's sole surviving outpost, a community that is buffered from the constant barrage of electrical tomadoes that has laid waste to the planet. Franklin, who fancies himself a cross between a religious elder and Biblical patriarch, doles out harsh punishment to anyone who transgresses his draconian rule. Outwardly fanatically religious, Franklin is not the savior of the community, as he hypocritically presents himself, but a self-serving tyrant whose religious posturings serve to cover his own culpability in triggering the environmental chaos. As a scientist, Michener tried to hamass an amazing new source of meteorological energy for the purposes of war. As a result, he has wreaked havoc on the world — and he now intends to eliminate anyone who infringes on his power in any way...LEAD (8) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

**JENNY:** Franklin's daughter, she's a beautiful and wholesome "farmer's daughter" type in her mid 20s who lives with her father in the only safe zone left on earth. Although Jenny has memories of a happier time, her life since environmental catastrophe struck has been one of plodding work, mere subsistence and mind-numbing provincialism. Dismissed by her father's patriarchal society as less intelligent because of her sex, Jenny appears outwardly submissive and docile, but she has hidden reserves of tremendous gumption and energy. At the risk of death, Jenny secretly assists her brother and his forces with food and whatever aid she can give them. When the Sliders arrive and are condemned by Franklin as thieves, Jenny champions Wade, saving her life. When caught sneaking supplies to the rebels, both Jenny and Wade are sentenced to death...LEAD (8) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

**REED MICHENER:** 25 and handsome in a craggy, rough-edged way, Reed is the exiled son of Franklin Michener. When Reed discovered Franklin's appalling secret, he was falsely accused by Franklin of stealing and cast out into the desert wilderness — a virtual death sentence. Miraculously, Reed survived, and now heads a rebel alliance to overthrow Franklin's rule. Still very close to his sister, Jenny, Reed lives in underground tunnels with his men and raids Franklin's nearby community for food. After the Sliders pass the rebels' arduous "initiation," Reed finds himself teaming up with Quinn and his courageous pals to save Jenny and Wade from certain death...LEAD (8)

PAGE TWO...

**MARTIN:** Franklin's contemporary, this menacing man in his mid 40s is Franklin's blindly loyal acolyte, who carries out his leader's harshest commands with thuggish efficiency...6 lines, 6 scenes (8) [*Copyright 1996, BREAKDOWN SERVICES, LTD.*]

**JACOB:** In his mid 20s, he's another of Franklin's devoted followers – or thugs, if you will. Taken off guard by Jenny's profession of love – and a swift knee to the groin – Jacob gives Wade and Jenny an opportunity to escape. Blindly loyal to the patriarchal Franklin, Jacob is later appalled when he gets a hint of his idol's true nature...6 lines, 5 scenes (8) [*Copyright 1996, BREAKDOWN SERVICES, LTD.*]

**NEIL:** This thin youth of about 19 limps on a "polio-devastated leg." One of Reed's ragged rebels, Neil is a curious boy with a lot of spirit and intellectual curiosity who is enthralled by Arturo's scientific experiments...2 speches & 4 lines, 3 scenes (25)

**JIMMY:** One of Reed's staunchest followers, this young dwarf rebel secretly meets with Jenny for supplies – and walks straight into an ambush. He escapes to warn Reed of his sister's fate...3 lines, 2 scenes (27)

**CALEB:** This "desert rat" of around 8, clad in billowing, rag-like clothes, is "snowboarding" on a small tomado when first seen by the Sliders. After Quinn rescues him from his wild joyride, Caleb disappears into thin air. Later, the mysterious Caleb appears to assist the Sliders once again...2 lines, 2 scenes (2)

**TREE DWELLER:** Seen in another dimension, this man is hanging from a tree – by his tail – when the Sliders arrive...1 line, 1 scene (53)

**STORY LINE:** Our heroes slide onto an environmentally ravaged Earth where the tyrannical FRANKLIN MICHENER holds absolute sway...
