DR. TUYA MUBARIC: A beautiful, dark-skinned 28 year-old woman who shines with aggressive intelligence, she is a medical doctor on the latest world visited by the Sliders, where descendants of the ancient Egyptians are still in power. Spurred by her avid curiosity into researching the afterlife, Tuya and her colleague Dr. Achtbit have been appointed by the Pharaoh's assistant, Kheri Heb, to experiment on human subjects in order to determine the true nature of death. Despite her thirst for knowledge, however, Tuya is a principled woman who truly believes that the experiments are only performed on terminally ill patients -- that is, until Quinn becomes one of their experimental subjects. After learning the truth, Tuya decides to help Quinn and reveals that she knows about Sliding, which is only done on her world by the Pharaohs...GUEST LEAD (6) SUBMIT ALL ETHNICITIES. STAR AND CELEBRITY NAMES ONLY.

PLEASE SUBMIT CAUCASIAN, AFRICAN AMERICAN AND ARABIC ACTORS FOR THE FOLLOWING ROLES:

SHEILAH: A beautiful slave girl in her early 20s in the modern Egyptian society visited by the Sliders, she is rescued by Quinn from a horrible fate after she is accosted by a giant, genetically engineered sacred scarab. Although Sheilah is accustomed to her low social status, she is reluctant to be entombed with the recently deceased Pharaoh as food for the scarab; however, after she and the Sliders thwart the insect's desire, she is sent into the pyramid. Once inside, she meets up with the Sliders and eventually escapes...GUEST (2)

KHERI HEB: In his mid to late 30s, a disdainful, ruthless-looking, imperious and ill-tempered employee of the Pharaoh, he wears a ceremonial head covering is in charge of royal funerals, which "makes him God" since the Pharaoh's recent death. Quick to consign other people to executions for the most trivial of offenses, he orders Wade and Sheila entombed with the dead Pharaoh and his hungry, giant scarab. However, he gets his just deserts later when the scarab ambushes him...GUEST (4)

DR. ACHTBIT: A medical doctor in his 30s, he assists Dr. Tuya Mubaric with the officially-sanctioned experiments into the nature of the hereafter. More pragmatic and ruthless than his colleague, Achtbit knows that the experiments have recently been conducted on otherwise healthy individuals, since the terminally ill don't tend to survive the procedure. Forced into revealing the truth to Tuya, he explains that the Kheri Heb wants results -- no matter what the costs...GUEST (7) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

PAGE TWO...

PRIEST: A formally robed, Egyptian priest, he supervises a group of slaves attending the wooden crate enclosing the giant sacred scarab. He orders the Sliders to ignore Sheilah's plight after the scarab grabs her. Later, he apologizes to the Kheri Heb for sealing the tomb...2 speeches & 5 lines, 2 scenes (2)

MIKE MALLORY: Quinn's (Jerry O'Connell) father, he is a warm, fatherly man in his early 40s who clearly misses his son. He is reunited with Quinn during Quinn's near-death experience, in which the two of them bond for a brief time...16 lines, 1 scene (8) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

SEYN JEBID: A 25 year-old architect in the Egyptian-influenced society, he is scheduled to be entombed in the pyramid he designed for the Pharaoh. His escape plan is unwittingly thwarted by the Sliders...3 speeches & 6 lines, 1 scene (29) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

AGENT DIBAI: A suspicious, deadly serious FBI agent in his late 20s to early 30s on the Egyptian world, he detains Tuya and Quinn, whom he suspects of helping Jebid to plan an escape...1 speech & 8 lines, 1 scene (38)

STORY LINE: The Sliders find themselves in a world influenced by the ancient Egyptians, where Quinn undergoes a near-death experience under the care of DR. TUYA MUBARIC, and the rest of the Sliders are entombed with the deceased Pharaoh and his giant, genetically engineered sacred scarab...
