PLEASE MARK SUBMISSIONS "SLIDERS."

LAURIE MILLER: 25 years old, a very attractive woman, Laurie is a geologist who comes to the town of Paradise, searching for her brother Michael, who recently disappeared in the area. Befriended and protected by the Sliders, Laurie soon realizes that Paradise and its enigmatic townspeople are concealing a bizarre secret: the citizens have artificially extended their lives by ingesting the secretions of a ravenous worm-monster that travels underground, and keep the creature alive by feeding it human beings. Selected by the townspeople to be fed to the creature as was her brother, Laurie joins forces with the Sliders in combating both the monster and her ageless protectors...GUEST LEAD (4) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

SHERIFF BURKE: 30 years old, Burke is a big man, powerfully built, with a manner than can turn quickly threatening. Seemingly the guardian of law and order in the beachfront resort of Paradise, Burke is actually the guardian of the town's murderous secrets. The leader of a posse that captures strangers and sacrifices them to the devouring underground she-creature, Burke doesn't take it well when he's crossed or betrayed. Looking for a few fresh sacrifices for the monster, the ponderous and quite ruthless Burke wastes no time in selecting the Sliders as an acceptable meal for the monster...GUEST LEAD (1)

PARKER: 25 years old and handsome, Parker is a magnet for women: he's friendly, charming, and quite attractive. Flirtatious with Wade, who returns his interest, Parker carefully hides a few important facts about himself: he's actually an elderly man who is kept young by ingesting the monster's secretions, he's married to the elderly Trudy, and he's hoping to trade Trudy in for a younger model: Wade. Quite ruthless when it comes to luring women, Parker is shot to death by Sheriff Burke when he reveals a few too many of the town's secrets, and he morphs into an old man...GUEST LEAD (8)

TRUDY WHITMORE: 70s, an elderly woman with bony hands, Trudy slumps in her wheelchair, still suffering the after-effects of a stroke. Apparently the oldest resident in town, Trudy is actually the wife of 25 year old Parker, who has preserved his life while she has gone on aging. Having barely escaped being sacrificed to the monster, the thoughtful and upright Trudy has refused to live an artificially extended existence, and tries to warn the Sliders to flee the town of Paradise--much to the irritation of her husband and Sheriff Burke...2 speeches & 17 lines, 4 scenes (8) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

PAGE TWO...

BUD: 25 years old, a thin truck driver, Bud is one of Sheriff Burke's cohorts. Bud regularly assists Burke in kidnapping strangers and drifters, and shows no hesitation about sacrificing others to the underground creature in order to preserve his own life. Bud almost clobbers Laurie with a tire iron, hoping to add her to the monster's stomach, but is caught in the act by Quinn. Not very skilled at hiding his intentions, Bud is later knocked out cold during a fight with Quinn...11 lines, 5 scenes (1)

MICHAEL MILLER: A geologist in his mid 20s, Michael is Laurie's brother, who comes to Paradise looking for oil deposits. After plotting the path of the underground monster, Michael is sacrificed to her by Sheriff Burke and the other locals. But Michael survives his trip into the bowels of the earth; he is kept alive by the monster for future consumption, and later is rescued by the Sliders...1 speech & 4 lines, 4 scenes (1)

when Al, the local mailman, is devoured by the parasitic creature...3 lines, at least 2 scenes (11)

FRED: 38 years old, a one-armed man in the town of Paradise, Fred is a garrulous sort who gets drunk with Arturo. Knowing the full story of the underground creature, Fred stumbles home with Arturo, and spills his guts, telling all about the monster that gnawed off his arm one day...1 speech & 8 lines, at least 2 scenes (13) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

ALICE: 25 years old, a wholesomely charming woman, Alice runs the local bed and breakfast with her husband Paul. At least 95 years old (despite her seeming youthfulness), Alice welcomes the Sliders cheerfully when they become her guests, and exchanges knowing glances with her husband as she chats with the latest sacrifices-to-be...11 lines, at least 1 scene (15)

STORY LINE: The Sliders arrive in the town of Paradise, and learn that the ageless inhabitants sacrifice drifters to the local monster in exchange for eternal life...
