[KYRA] A strikingly beautiful woman in her mid 20s, Kyra is a freelance employee of a bio-tech firm, and has just pulled off a coup: the successful capture of a mated pair of tri-adders, invaluable snakes whose venom can be used to treat Parkinson's Disease. Knowing that the snakes will make her fortune, Kyra is determined to escort them safely back to the States, and uses bribery, duplicity, and her sexual wiles to achieve her goals. She gulls Quinn and Rembrandt into helping her after her plane goes down in the wilderness, and learns, somewhat too late, that one of her double-crossed partners is on her trail. Having almost tricked Quinn into falling in love with her, Kyra reveals her true, cold-blooded core when she is willing to sacrifice the Sliders in order to save her own skin...LEAD (1)

[CARLOS] 25-35. A darkly handsome and well-built Hispanic man, dressed in stylish motorcycle gear and carrying a backpack, Carlos is an attractive hunk who completely sweeps Maggie off her feet. Maggie is fooled by his suave and smooth approach and doesn't see his criminal edge. The silky Carlos is Kyra's business partner, who is quietly furious to realize that he's been double-crossed. Intent on reuniting with Kyra and taking back the valuable snakes, Carlos agrees to escort Wade and Maggie, but he appears to be using them as cover for his real intention: to hunt down Kyra and punish her severely for her duplicity. After charming an infatuated Maggie, and killing a few people along the way, the devilish Carlos winds up crushed to death by one of his precious snakes...LEAD (14)

[RANDY] 35 years old, a greasy slimeball, Randy runs a charter service at the airport, and behaves in a lecherous manner when Wade and Maggie plead for a plane rental. A loser who makes crassly flirtatious comments with every sentence, Randy is reluctant to fly them into Delgado, and tries to coax them into giving him what he wants--which is more than mere money. But instead, Randy gets a fast knee in the groin, courtesy of Maggie...1 speech & 10 lines, 1 scene (9)

[ANGEL] Latino. A scowling village elder in the tiny hamlet of Santa Marta, Angel instantly recognizes the distinctive sound of the tri-adder, and demands that Kyra and her friends leave instantly. Unpleasant and uncommunicative, Angel knows Carlos as well, denounces him as "the devil," and insists that he keep moving on as well...11 lines, 2 scenes (24)

[CUSTOMS OFFICIAL] This Latino customs official in Mexico wants to examine Kyra's snake-filled boxes, and agrees to walk away when she gives him a fistful of money. But he is less than charmed with Kyra's insulting manner...5 lines, 2 scenes (1)

[DON] A man in his late 20s, well dressed and sporting an expensive ring, he is Kyra's partner in crime. He arrives in Delgado, hoping to rendezvous with Kyra, and freezes when he runs into Carlos--the partner he is busily trying to double-cross. Don tries to talk his way out of a desperate situation, but his eloquence and his cash don't protect him from Carlos's quick knife...1 speech & 4 lines, 1 scene (15)

STORY LINE: While trying to get back to San Francisco, two parties of Sliders link up with a matched pair of villains, KYRA and CARLOS...
