GERALD THOMAS: A slim, 24 year-old college student who resembles a character from "The Lost Boys," Gerald is an especially skilled member of the cruel, tyrannical ruling class known as "Dream Masters" in the latest universe entered by the Sliders. Imperious and ruthless, Gerald is first seen by the Sliders dispensing immediate, lethal punishment to a skater who accidentally runs into him. Accustomed to getting whatever he wants through fear and intimidation, Gerald is shocked when Wade -- to whom Gerald is immediately attracted -- turns down his propositions and punches him. Vowing revenge, he enters her dreams when she falls asleep, and nearly kills her using the Dream Masters' mysterious blend of psychotropic drugs and psychic powers. Gerald is ultimately shocked and defeated by the other Sliders, who use the Dream Masters' own techniques against them...GUEST LEAD (2) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

OLIVIA LUJAN: A beautiful, courageous, highly intelligent scientist, she runs a shelter for the Dream Masters' unfortunate victims in the alternate universe. Approached by the Sliders for help after Wade's attacks, she shows them rooms full of patients -- many of them comatose, all from the Dream Masters' attacks. Olivia then shows the Sliders the inert body of her husband, a brave scientist who was assaulted by the Dream Masters in retribution for his efforts to teach others to defeat them. After one attack, Olivia rescues Wade by administering a dose of adrenaline. Later, she proves invaluable to the Sliders, who use her husband's notes to formulate a plan to battle the Dream Masters in their own territory...GUEST LEAD (23)

HENRY AND BYRON: Bike-riding college students in their 20s who resemble characters from "The Lost Boys," they are Dream Masters who serve as Gerald's sycophantic minions. Sadistic and conscienceless, they clearly enjoy their work, and relish the opportunities to dispatch their victims -- the more cruelly, the better. They laughingly watch as Gerald kills the skater for bumping into him, and they intently follow Gerald's progress in tormenting Wade. When Wade proves tough to kill, Henry and Byron eagerly agree to get rid of the other Sliders who have been helping her. However, they are ultimately disappointed in their hero...GUEST LEADS (2)

JOHN CARDOZA: The 60 year-old head Dream Master, he is an aging geek who looks like a Universal Pictures horror movie star from the 1940s. Revered by his equally geeky acolytes, he pays a surprise visit to the Somnambulists Club to check on Gerald's progress. He joins Gerald in a dream attack on Wade, but is disappointed...3 lines, 5 scenes (12) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

SKATER: A very large, muscle-bound first time skater, he encounters the Sliders while teetering down a skate path. He accidentally knocks over a biker, Gerald, and is psychically killed by him...2 speeches & 1 line, 1 scene (1) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

STORY LINE: The Sliders enter a universe ruled by a group of dangerous, sadistic geeks known as the Dream Masters, led by GERALD, who decides to terrorize Wade in her sleep after she rejects his romantic overtures...
