BROCK: Caucasian. A young man, no older than 18, dressed in simple clothes and clearly from some simple, rather primitive environment, he is part of a small group of young people who inhabit the Sliders' latest world. Though like his leader, Keegen, he fears what's "out there" beyond his immediate clan and area, he is not afraid to help the Sliders, particularly after his sister and her child have been swallowed up in the netherworld after an earthquake. A man who's capable of making his own decisions and even putting his own life at risk to help others, he flies in the face of his clan's beliefs and, on Quinn's urgent advice, breaks away from Keegen in order to start a new life...GUEST LEAD (1) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

KEEGEN: Caucasian. Handsome and strongly built, not over 18, he is the leader of a small clan of young people in the strange new world the Sliders visit. A strong leader, he is fearful of what's "out there" and prefers to remain where he is, convinced that the people who've left the small clan and not come back have met a terrible fate. Suspicious and close-minded, he is determined to maintain the status quo—even when Quinn urgently advises them to all to leave...GUEST LEAD (1) [Copyright 1996, BREAKDOWN SERVICES, LTD.]

CLAY: Caucasian. Another young man, not over 18, he is one of Keegen's small tribe of young people. He shares Keegen's suspicions of the Sliders (and any outsiders) and ultimately decides to stay with Keegen, despite Quinn's urgent advice to the contrary...2 lines, 5 scenes (1)

STORY LINE: The Sliders land in a strange, beautiful land, inhabited by young people, none over 18, who have no idea that beneath them is another civilization that threatens their survival...
